

Kukulchon Sanctuary

Yucatan Peninsula, Mexico

Kukulchon Sanctuary is an extraordinary landscape, warmed by the sun, that is surrounded by lush jungle vegetation and ancient archaeological artifacts. Cradled between snake-like rivers, the course winds through the remnants of an ancient civilization. Many of the ruins still remain hidden behind a dense jungle of abundant indigenous plants and exotic wildlife. Firmly grip your favorite club and get ready to swing your way through a sensational jungle golf course.
