Pebble Beach, California USA  
www.pebblebeach.com

Spyglass Hill Golf Course takes its theme from Robert Louis Stevenson's classic novel, *Treasure Island*. Local legend maintains that Stevenson once wandered the Spyglass area gathering ideas for his novels. With this in mind, Robert Trent Jones Sr. set about creating a treasure of his own. Opened in 1966, Spyglass Hill Golf Course features two distinctly different kinds of terrain that influence the way the holes look and play. The first five holes roll through sandy seaside dunes challenging you to carefully pick the safest path. The following 13 holes are cut through majestic pines with elevated greens and strategically placed bunkers and lakes to grab the errant shot.
