

# The Jubilee Course at St Andrews

St Andrews, Scotland  
www.standrews.com

Named in honor of Queen Victoria's Diamond Jubilee celebration, the third championship course at the Home of Golf, the Jubilee is considered by many to be the most challenging course on the famous Links. Built in 1897, it was originally intended for use by ladies and beginners; however, after seeing its prime golfing location between the New Course and the sea, the Jubilee was converted to a championship layout in 1988.

Created on a narrow strip of land between the sea and the New Course, the raised tees provide great views but also expose golfers to prevalent winds, which sweep in from the bay. Any golfer visiting St Andrews should play at least one round of golf on the challenging Jubilee Course.
