

About The League

At X Factor Indoor Golf our league is open to golfers of all skill levels, male or female! With 3 different Divisions there is a place for all levels of players. 2 rounds are required to set a handicap for anyone wanting to join league. The League is 100% individual there are no teams. You play your game and submit your score. If you have a group that wants to play together or just by yourself it does not matter and your score is for yourself only. The Fall league consists of 9 rounds including playoffs and begins November 16th, 2020. With 7 weeks FedEx Cup style points and 2 weeks of playoffs. There is no league the week of December 21st -December 27th. Fall League wrap ends January 24th. Winter League starts Feb. 1st and ends April 4th. We select the course, the conditions, and the game being played for each week. Prizes are awarded weekly and for the entire season. \$400+ weekly prize values. You can play just Fall and winter league separately or sign up for both at the start of the season to get the best possible savings.

Handicap

Every division is Handicap based which we determine for you. You must play your two handicap rounds so we can establish a handicap for you. These rounds are at league rate if you have already paid your registration or are included in your package. Your hdcp will fluctuate as the season progresses. Because we have few rounds to base this off it will move up and down quickly all of our course have different slope and ratings which effects it as well. There is a strict no "mulligan" rule for league. If there Is any mulligans your score will not count. Exceptions can be made if a staff member awards a mulligan for a misread shot.

When

Our league is designed to allow you to play whenever is convenient for you with in the week. We do not set a specific date or time, as long as it is completed within the week. You are also able to play rounds ahead if needed. You can never play back if you miss a week it is finalized and cannot be played.

Why

Most important thing about our league is we are all having fun. We love the game of golf and realize we are playing golf in Alberta in the middle of winter. The League is designed to keep up your swing have some fun and win some cool prizes along the way. It is designed with everyone's best interest to follow these guidelines. We have had continued growth over the years and want to see everyone enjoy it.
